**FLOWTEC AUTOMATED DOSING PUMP IS BOTH COST EFFECTIVE & EFFICIENT**

**BIO-SOL** controls the build up of grease & fats  
**BIO-SOL** is ideal for grease traps & drain lines  
**BIO-SOL** is tested & proven to be safe to use  
**BIO-SOL** contains no solvents or acids  
**BIO-SOL** is both cost effective & efficient  
**BIO-SOL** is 100% biologically natural

**BIO-SOL** is a bio-enhancement product system for controlling the build up of grease and fats in grease traps and drain lines located in places such as Hotels, Hospitals, Factory Canteens, Restaurants, Shopping & Garden Centres, Schools, Leisure Facilities and all other locations with problems caused by organic matter in drainage systems. Compared to alternative systems **BIO-SOL** is much safer to the environment and far more economical in use.

**BIO-SOL** biologically digests grease and other organic waste build up turning it into carbon dioxide and water. The micro-organisms in **BIO-SOL** go to work on waste as soon as they come into contact with it anywhere in the plumbing system (grease traps, joints, drain lines etc) breaking down and digesting
