DE-MOLISH

**A TOTALLY NATURAL,
ENZYMATIC CLEANER FOR
STAIN AND ODOUR
REMOVAL.**

**ENVIRONMENTALLY
AND USER FRIENDLY**

DE-Molish is enzymatic, it does not contain detergents, bleach, acids, alkalis or any other chemicals.

DE-Molish will remove organic waste & bad odours from soft furnishings, fabrics, walls, paintwork, floors, ceramic tiles, marble, vinyl or any surface that water will not harm.

DE-Molish removes organic waste safely, including, blood, urine, vomit, faeces, food and some make up.

DE-Molish does not contain any harmful ingredients, so is friendly to the environment and very safe to use.

DE-Molish can be used in any area including food preparation areas and will not leave any harmful residue.

DE-Molish is very effective at removing the build up of uric salt and it's unpleasant odour in and around toilets, urinals and pipe work. It will also help to control the growth of mildew and mould.

Using BRITISH TECHNOLOGY
