DE-Solv

**AN EFFECTIVE CLEANER
FOR STAIN AND ODOUR
REMOVAL ON CARPETS
AND SOFT FURNISHINGS**

**ENVIRONMENTALLY
AND USER FRIENDLY**

DE-Solv is great for removing all kinds of stains and odours. It does not contain harsh chemicals or bleaches. Low foam formula is suitable for use in carpet cleaning machinery and extractors.

DE-Solv will clean up waste and stains from soft furnishings, fabrics and carpets. It can also be used as an all purpose cleaner for walls, paintwork, floors, ceramic tiles, marble, vinyl or any surface that water will not harm. Can be used straight from the spray bottle with sponge, cloth or with a mop and bucket.

DE-Solv removes stains safely, including, blood, urine, vomit, faeces, tea, coffee, even most types of make up.

DE-Solv does not contain any harmful ingredients, so is friendly to the environment and very safe to use.

DE-Solv can be used in any area including food preparation areas and will not leave any harmful residue.

A small colourfast test is always recommended before use on carpets and soft furnishings. Some stains may require more than one treatment.

De-Solv should be diluted and used directly from a spray bottle or mixed with warm water in a bucket for sponge cleaning.

Can be used neat for hard surface cleaning.

DO NOT USE NEAT ON FABRICS UNLESS COLOURFAST TEST HAS BEEN DONE.

Using BRITISH TECHNOLOGY
