

METATEC ENVIRONMENTAL

AROMATEC~ FLOWTEC

ECO-SAN

**HEAVY DUTY, HOSPITAL GRADE
DISINFECTANT**

**POWERFUL, CONCENTRATED,
CLEANER & SANITIZER**

ECO-SAN is a unique, powerful concentrated cleaning disinfectant for use in food preparation & processing areas, laboratories, veterinary practices, mortuaries, hospitals, nursing homes and many other high risk areas.

ECO-SAN is formulated for it's broad spectrum antibacterial and virucidal properties providing unsurpassed safe and effective replacement for other conventional cleaners, bleaches and disinfectants.

ECO-SAN provides consistent and long term performance, preventing microbial resistance.

ECO-SAN has powerful deodorising properties that will help to eradicate and prevent foul odours from reoccurring.

ECO-SAN is water based therefore safe and easy to use with no unwanted side effects such as taint, smell or handling hazards.

ECO-SAN dilutes 50-1 for economical use.

Effective against MRSA and VRE amongst many others. See additional Information. 10 minute contact time recommended.
