

METATEC ENVIRONMENTAL

AROMATEC~ FLOWTEC

Fast acting, dual-purpose WATERLESS Hand & Hard Surface Sanitizer

*Kills MRSA, E-COLI 0157, Weils
Disease &
Leptospirosis and more!*

HAND CLINIC is a fast acting & highly effective sanitizer.

HAND CLINIC reduces the risk of cross infection & evaporates from hands and hard surfaces. Meets minimum recommended drying time of 30 seconds for optimum protection.

HAND CLINIC kills bacteria including Weils Disease, Leptospirosis, VRE and MRSA amongst others.

HAND CLINIC should be used after normal hand washing & wherever soap & water are not readily available.

HAND CLINIC is non-tainting & therefore ideal in food handling and preparation areas, great on chopping boards & kitchen surfaces.

HAND CLINIC contains moisturizers to leave skin smooth & refreshed with no 'drying effect'.

HAND CLINIC is both cost effective & efficient as it can also be used as a surface bactericidal sanitizer, ideal for toilet seats, taps and door handles.

HAND CLINIC is recommended for use between patient contact in non-surgical medical care establishments.

HAND CLINIC meets the requirements of **EN13727** & **EN1276**

NB; ALSO AVAILABLE IN HANDY 80ml POCKET SIZE BOTTLES and ECONOMICAL 5 litre containers.
